In active cattle production today

The ranch is 100% developed and in use for cattle, with post-and-wire fenced paddocks.

Topography

The entire ranch is tillable.

Grasses

Angleton grass and Brachiaria grass.

Two creeks run through the ranch

In addition to the creeks, the ranch has water reservoirs in the paddocks.

Main house, manager's house, and three workers' quarters

All in excellent condition.

Main house

Furnished, with a pool and pergola, a covered dining area, and an equipped kitchen.

Workers' quarters

Three, for the ranch staff.

Renovated corrals and covered livestock scale

Corrals

Renovated and functional.

Weighing

Covered, with an access chute: cattle are weighed on the ranch, without relying on the buyer.

Paddocks, shade, and water

Unretouched photographs of the ranch.

Internal roads in good condition, suitable for all types of vehicles

The ranch is 10 km from the main road, a 15-minute drive (reference time).

Doradal	41 km, Medellín–Bogotá highway	44 min
Puerto Salgar	65 km	57 min
La Dorada	87 km	1 h 34 min
Medellín	215 km	4 h
Bogotá	245 km	4 h 30 min
Bucaramanga	289 km	5 h 20 min

Puerto Boyacá holds a weekly cattle auction, licensed by the ICA. Reference drive times from the town center of Puerto Boyacá, with the road clear.
