Flat, with 110 paddocks

Extensive cattle ranching on flat land, subdivided to rotate the herd.

Paddocks

Averaging 5 hectares each, with numbered gates and post-and-wire fencing.

Grasses

Brachiaria grass, Angleton grass, Mombasa grass, Braquipará grass, and Invasor grass.

Streams, canals, and a water reservoir

Main house and two workers' quarters

The main house is furnished, with a swimming pool and a covered gazebo.

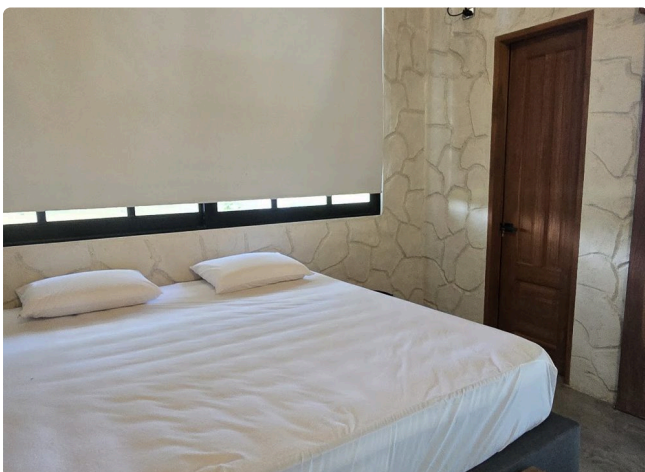

Main house

Clay-tile roof, wide verandas, a large dining room, a living room with a high wooden-beamed ceiling, and air-conditioned bedrooms.

Workers' quarters

Two, for the ranch staff.

Large new corral and machinery

Corral

Large, new, wooden, and covered.

Machinery

Kubota and John Deere tractors, a backhoe, and a farm trailer.

On the Ruta del Sol, with 1.3 km of frontage

The ranch has 1.3 km of frontage on the Ruta del Sol: cattle trucks and supplies enter directly from the main highway.

Honda	36 km	36 min
Guaduas	59 km, Ruta del Sol	56 min
Puerto Boyacá	66 km	57 min
Bogotá	186 km	3 h 40 min
Medellín	230 km	3 h 54 min

Puerto Salgar has its own cattle auction, and La Dorada lies across the bridge over the Magdalena River. Reference drive times from the town center of Puerto Salgar, with the road clear.
